Achievements

- 2023: Participated in a group at the Junior Achievement StartUp Programme, a youth entrepreneurship competition that its purpose was to discover an innovative idea and develop it into a viable business plan. Our team's idea was a Virtual Reality headset that makes people with Dementia be able to relive their memories again
- 2019: Award from the University of Central Lancashire Cyprus for scoring the highest grade in the Maths Pancyprian Examination within my school
- 2019: Participated in the Euroscola Project at the European Parliament in Strasbourg, France
  -A magnificent opportunity that gave me the chance to become Member of the European Parliament for a day.
- 2018: Lead Ambassador for the European Union's project 'European Parliament School Ambassador' for Cyprus, a project implemented across European schools with the primary objective of promoting European values and ideals
- 2018: Distinction at the 9th Cyprus Biology Olympiad
- 2017: Distinction at the 8th Cyprus Chemistry Olympiad
- 2017: Participated in a group at the 9th Productivity Competition by the Cyprus Productivity Centre
- 2016: Golden medal at the 7th Cyprus Chemistry Olympiad
- 2016: Winner: Larnaca Province at the Bebras Challenge by Cyprus Computer Society, a competition for high school students that involved solving logical problems
